

CORPORATE FINANCE ANALYST

We are looking for Corporate Finance Analyst to join our growing team. Suitable candidates include soon-to-be graduates, recent graduates, and early-career professionals eager to develop within corporate finance and strategic advisory. Ideally, the selected candidate would be available to start as soon as possible, though we are happy to discuss timing based on individual circumstances.

Who are we

Spring Advisor stands at the forefront of management consulting and financial advisory, dedicated to offering pragmatic and actionable solutions to a wide array of business challenges from a full spectrum of industries. Our offering includes corporate finance, strategy and performance advisory services, giving the opportunity to work not only on transactions but also on broader strategic problem-solving projects. Founded on the principle that rigidity and formalism don't foster excellence, we've cultivated an environment that balances high-quality consulting services with a supportive and relaxed atmosphere.

What we offer

- Opportunity to work on challenging M&A and other corporate finance advisory projects, and possibility to gain experience on strategy and performance consulting
- Responsibility in meaningful projects that ensure comprehensive learning and personal development
- Team-driven working environment in a low hierarchy organisation
- Competitive remuneration

What you will do

- Participate in M&A and other advisory projects
- Build valuation models and prepare information memorandums, pitch decks and decision-making materials
- Conduct company, industry and financial analyses
- Work closely with other team members and clients

What we look for

- A relevant university degree (or close to graduation) with a strong academic record
- Prior full-time/internship work experience in corporate finance or similar advisory positions
- Advanced Excel and PowerPoint skills
- Fluent in Finnish and English
- A true-team player with good interpersonal and analytical skills
- Commitment to working in a fast-paced environment

Ready to apply?

Send your CV (including academic credits and GPA) and a cover letter to careers@springadvisor.fi by May 17, 2026. We encourage you to apply early, as we will be reviewing applications and conducting interviews already during the application period.
